SIGNIFICANT ACCOUNTING POLICIES

The adaption of revised schedule VI does not impact the recognition and measurement principle followed for the preparation of the financial Statements. However, it has significant impact on presentation and disclosures made in the financial statement.

- Profit/Loss on sale of Investments is recognized on trade date Basis. Profit/Loss on sale of Investments is determined based on the "First in First out" cost for Current Investments.

4. Fixed Assets and Depreciation

Fixed Assets are stated at cost of acquisition less depreciation. Depreciation on Fixed Assets has been provided on written down value method as per Schedule-XIV of the Companies Act, 1956.

5. Investments

Non Current Investments are valued at cost.

6. Retirement and Other Benefits

Contd.....

- b) Deferred tax is recognised on timing differences; being the differences between the taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets subject to the consideration of prudence are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

8. Earnings per Share

The Company reports basic and diluted earnings per share in accordance with Accounting Standards-20, *Earnings per Share*, issued by the Institute of Chartered Accountants of India.
